Dear Colleagues

Further to the announcements and congratulations made in the welcome back newsletter sent this week I would like to personally congratulate you and your staff on your provisional summer results.

I was pleased to see that your school has improved outcomes by 10 points or more in L4+ combined whilst still improving outcomes in all 3 measures of progress. Your school is one of the 57 schools in Essex to achieve this level of improvement.

Congratulations to you and your colleagues on this success, we know that achieving high standards and significant improvement with children is very demanding. Your results have further embedded the depth and breadth of excellence shown in Essex's primary school sector.

Very best wishes in your work and for the coming year, I look forward to seeing you at the LA headteacher meetings over the next academic year.

Yours sincerely
