Dear Mr. Barton and Mrs. Snelson

In addition to the circulation of overall county results which all schools will have received last week, I am pleased to be writing specifically to you to congratulate you and your staff on your summer results.

You have ensured high quality outcomes for many of your pupils, contributing to the depth and breadth of excellence shown in Essex's primary school sector.

I was particularly impressed to see that the school was one of those that showed the highest improvement across Key Stage 1.

Congratulations to you and your colleagues on this success, we know that achieving high standards and significant improvement with children is very demanding.

Very best wishes in your work and for the coming year, I look forward to seeing you at the LA headteachers' meetings over the next academic year.

Yours sincerely

Tim Coulson
